INTRO (D Bm G D Bm G)

D I'm so glad you made time to see me *Bm* how's life tell me how's your family
G I haven't seen them in a while *D A*
D You've been good busier than ever *Bm* small talk work in the weather
G Your guard is up and I know why *D A*
Bm Because the last time *A* you saw me still *D* burns in the back of your *G* mind
You gave me *Bm* roses and I *A* left them there to *G* die

D So *F#m* this is me swallowing my pride standing in front of you saying
G D A I'm sorry for that night and I go back to December (all the time)
D It turns out freedom ain't nothing but missin' you
F#m G Wishing I'd realized what I had when you were mine
D A And I go back to December turn around
G Bm A And make it all right I go back to December all the time
G Bm A G (And make it all right I go back to December turn around and change my own mind)

REFRÃO

INTRO (D Bm G D Bm G)

D These days I haven't been sleepin *Bm* stayin' up playing back myself leavin
G When your birthday passed and I didn't *D A* call
D Then I think about summer all the beautiful times
Bm G D A I watched you laughin' from the passenger side and realized I loved you in the fall
Bm A D G And then the cold came with the dark days when the fear crept into my mind
Bm A G You gave me all your love and all I gave you was goodbye

REFRÃO

SOLO (D Bm G D Bm G)

Bm G D A I miss your tan skin your sweet smile so good to me so right
Bm G D And how you held me in your arms that September night
A Bm The first time you ever saw me cry maybe this is wishful thinking
G D A Probably mindless dreaming if we loved again I swear I'd love you right
Bm A G Bm A G I'd go back in time and change it but I can't so if the chain is on your door I understand
