INTRO (C Am Em D)

There's a stranger in my bed there's a pounding in my head
Glitter all over the room pink flamingos in the pool
I smell like a minibar Dee Jays passed out in the yard
Barbie's on the barbeque there's a hikie or a bruise

Pictures of last night ended up online I'm screwed oh well
It's a black top blur but I'm pretty sure it ruled Damn _

Last Friday night yeah we danced on tabletops
And we took too many shots think we kissed but I forgot
Last Friday night yeah we maxed our credit cards
And got kicked out of the bar so we hit the boulevard

Last Friday night we went streaking in the park
Skinny dipping in the dark then had a menage a trois
Last Friday night yeah I think we broke the law always say we're gonna stop-op _
This Friday night do it all again _ this Friday night do it all again _

BIS

Trying to conect the dots don't know what to tell my boss
Think the city towed my car chandelier is on the floor
With my favorite party dress warrants ot for my arrest
Think I need a ginger ale that was such an epic fail
