The club isn't the best place to find a lover so the bar is where I go  
Me and my friends at the table doing shots drinking fast and then we talk slow  
Come over and start up a conversation with just me and trust me I'll give it a chance now  
Take my hand stop put Van the Man on the jukebox and then we start to dance and now I'm singing like

Girl you know I want your love your love was handmade for somebody like me  
Come on now follow my lead I may be crazy don't mind me  
Say boy let's not talk too much grab on my waist and put that body on me  
Come on now follow my lead come come on now follow my lead

BIS 1

I'm in love with the shape of you we push and pull like a magnet do  
Although my heart is falling too I'm in love with your body  
And last night you were in my room and now my bedsheets smell like you  
Every day discovering something brand new I'm in love with your body

One week in we let the story begin we're going out on our first date  
You and me are thrifty so go all you can eat fill up your bag and I fill up a plate  
We talk for hours and hours about the sweet and the sour and how your family is doing okay  
Leave and get in a taxi kiss in the backseat tell the driver make the radio play and I'm singing like
