Gm We all came out to Montreaux on the Lake Genever *F* *Gm* shoreline
To make records with a móbile *F* *Gm* _ we didn't have much time
Frank Zappa and the Mothers were at the best *F* *Gm* place around
But some stupid with a flare gun burned the place *F* *Gm* to the ground

They burned down the gambling house it died with an *F* *Gm* awful sound
Funky & Claude was running in and out *F* *Gm* _ pulling kids out the ground
When it all was over we had to find *F* *Gm* another place
But Swiss time was running out it seemed that we would *F* *Gm* lose the race

We ended up at the Grand Hotel it was *F* *Gm* empy cold and bare
But with the Rolling truck Stones thing just outside *F* *Gm* _ making our music there
With a few red lights and a few old beds we made a *F* *Gm* place to sweat
No matter what we get out of this I know *F* *Gm* _ I know we'll never forget
