Autor: Jerry Hannan

## INTRO ( Bm )

<sup>D</sup> It's a <sup>A</sup> mystery to <sup>D</sup> me we have a <sup>G</sup> greed with <sup>A</sup> which we have <sup>A</sup> agreed  
<sup>G</sup> You <sup>A</sup> think you have to <sup>Bm</sup> want more than <sup>Bm</sup> you need  
<sup>G</sup> Until you have it <sup>A</sup> all you won't be <sup>Bm</sup> free

<sup>G</sup> Society you're a crazy <sup>D</sup> breed I hope you're not <sup>A</sup> lonely without <sup>Bm</sup> me

<sup>D</sup> When you <sup>A</sup> want more than you <sup>D</sup> have you think you <sup>D</sup> need  
<sup>G</sup> And when you think more than you <sup>A</sup> want your thoughts <sup>A</sup> begin to <sup>Bm</sup> bleed  
<sup>G</sup> I <sup>A</sup> think I need to <sup>Bm</sup> find a bigger <sup>Bm</sup> place

'Cause when you <sup>G</sup> have more than you <sup>A</sup> think you need <sup>Bm</sup> more space

<sup>G</sup> Society you're a crazy <sup>D</sup> breed I hope you're not <sup>A</sup> lonely without <sup>Bm</sup> me

<sup>G</sup> Society crazy and <sup>D</sup> deep I hope you're not <sup>A</sup> lonely without <sup>Bm</sup> me

( Bm ) <sup>D</sup> There's <sup>A</sup> those thinking <sup>D</sup> more or less <sup>D</sup> less <sup>D</sup> is more

<sup>G</sup> But if less is more <sup>A</sup> how you're keeping <sup>Bm</sup> score

<sup>G</sup> Means for <sup>A</sup> every point you <sup>Bm</sup> make your level <sup>Bm</sup> drops

<sup>G</sup> Kinda like it's <sup>A</sup> starting from the <sup>Bm</sup> top you can't do that

<sup>G</sup> Society you're a crazy <sup>D</sup> breed I hope you're not <sup>A</sup> lonely without <sup>Bm</sup> me

<sup>G</sup> Society crazy and <sup>D</sup> deep I hope you're not <sup>A</sup> lonely without <sup>Bm</sup> me

<sup>G</sup> Society have mercy <sup>D</sup> on me I hope you're not <sup>A</sup> angry if I disagree <sup>Bm</sup> e

<sup>G</sup> Society crazy and <sup>D</sup> deep I hope you're not <sup>A</sup> lonely without <sup>Bm</sup> me <sup>D</sup> -
