She gave me the Queen she gave me the King
She was wheeling and dealing just doing her thing
She was holding a pair but I had to try
Her Deuce was wild but my Ace was high

^{E7}
But how was I to know that she'd been dealt with before
Said she'd never had a Full House but I should have known
From the tattoo on her left leg and the garter on her right
She'd have the card to bring me down if she played it right

^{E7}

Poker face was her name poker face was her nature
Poker straight was her game if she knew she could get you
She played them fast and she played them hard
She could close her eyes and feel every card

^{E7}
But how was I to know that she'd been shuffled before
Said she'd never had a Royal Flush but I should have known
^{A7} That all the cards were coming from the bottom of the pack
And if I'd known what she was dealing out I'd have dealt it back
