Autor: David Bowie

INTRO (G# C#m E C#m)

We passed upon the stairs we spoke in was and when
Although I wasn't there he said I was his friend
Which came as some surprise I spoke into his eyes
I thought you died alone a long long time ago

Oh no not me we never lost control
You're face to face with the man who sold the world

INTRO

I laughed and shook his hand and made my way back home
I searched from father land for years and years I roamed
I gazed a gazers there we walked a million hills
I must have died alone a long long time ago

Who knows not me I never lost control
You're face to face with the man who sold the world

INTRO

Who knows not me I never lost control
You're face to face with the man who sold the world
