Autores: Ant Saunders

INTRO (C D G Em C D G Em)

She put my name with yellow hearts _ her favorite color like the stars _
I didn't listen very hard when she told me she was crazy from the start
I drive down open roads so slow _ here comes a train I'll let it go _
Ain't got nobody on my phone _ don't like being all alone don't like being all alone

Not good at keeping at the trends _ too good at welcoming amends _
It's been a while since I heard her say _ that we were more than friends _
Oh ! I I ! know a lot is going on
But girl please tell me and I'll let you be are you still with me or not

She put my name with yellow hearts _ her favorite color like the stars _
I didn't listen very hard when she told me she was crazy from the start _

No matter what you say or what you do I can't really tell
I'd rather keep you waiting conversating
Don't wanna be your muse or something you could lose
I told you that I'm over it but lately

When I say you better best believe me I could change the way that you perceive me
On my way to meet you in the evening try to say the way that I've been feeling
I've been lying I've been holding my breath you think I'm always upset when I'm not yeah
I've been lying yellow hearts aren't just friends now I don't need to pretend try this again

She put my name with yellow hearts _ her favorite color like the stars _
I didn't listen very hard when she told me she was crazy from the start _
She put my name with yellow hearts _ I said she was a work of art _
I didn't listen very hard when she told me she was crazy from the start _
