

CHRIST IN ME (Jeremy Camp)

Autores: Bernie Herms / Jeremy Thomas Camp

C Em Dm F
In this obsession with the things this world says make us happy
C Em Dm F
Can't see the slaves we are in all the searching all the grasping
Am Em F
Like we deserve much more than all these blessing we're holding
Am C Dm F
So now I'm running free into an ocean of mercy unending

C G
So come and empty me so that it's you I breathe
Am F
I want my life to be only Christ in me
C G
So I will fix my eyes 'cause you're my source of life
Am F C G Am F
I need the world to see that it's Christ in me that it's Christ in me

C Em Dm F
Done with what holds me down the things I once was chasing after
C Em Dm F
Throw off these heavy chains that I have let become my master
Am C Dm F
So now I'm running free into an ocean of mercy unending
